**Friday, March 27, 4:30 pm:** Confirmation Class meets.

**Sunday, March 29, 10:15 am:** In worship on the Fifth Sunday of Lent, we'll be inspired by a special Lenten music selection from Theodore Dubois' "The Seven Last Words of Christ," under the direction of Music Minister Eunjung Ahn. We'll also be encouraged by another Shine a Light, and after worship, we'll continue our Vital Congregations Bible Study.

A word about the music:

Theodore Dubois was born in France in 1837. He spent most of his life in Paris, where he studied at the Paris Conservatory. While he was not recognized as one of the great musicians of his time, he was highly respected by his more famous counterparts, including Franz Liszt (who gave him musical encouragement), Cesar Franck, and Camille Saint-Saens.

Dubois was the organist and choirmaster at the Church of St. Clotilde in Paris (where Cesar Franck also served at one time) when he wrote the "Seven Last Words of Christ." This composition was first performed in 1867 for the Good Friday service at the Church of St. Clotilde. Even though Dubois composed several other works (orchestral, choral and organ), very few of them are still performed today, with the exception of the "Seven Last Words of Christ."

## **Broadway Community Outreach Activity**

On Saturday, March 21 from 9:00 am - 12:30 pm interested adults, teens, and school age children from our congregation will volunteer and help with the clothing distribution at Broadway Presbyterian Church. We will sort clothes and help guests find free clothing that they need. The address of Broadway Presbyterian Church is 601 W 114th Street. It is close to Columbia University. If you have questions or would like to participate, please talk with Karen Amrhein or email her at [karenlynnamrhein@gmail.com](mailto:karenlynnamrhein@gmail.com)

**MARCH IN SOLIDARITY WITH FARM WORKERS**  
**3-Mile Grand Finale**  
**MARCH 12, 4 pm, UNION SQUARE PARK**

**"FOLLOW THE MONEY" BOYCOTT WENDY'S MARCH**

Every day, millions of migrant farm workers do the back-breaking work of harvesting the fruits and vegetables that feed the entire country and, in turn, generate billions in profits for the trillion-dollar retail food industry. Yet despite the essential nature of their labor, for generations farm workers have endured extreme poverty, sexual assault and modern-day slavery.

But in 2011, after nearly two decades of hard-fought organizing with consumers across the country, farm workers with the Coalition of Immokalee Workers (CIW) built an award-winning program of worker-led monitoring and enforcement, ending decades of gender-based violence, forced labor and other long-standing human rights violations. All of the largest fast-food companies — McDonald's, Burger King, Subway, Taco Bell and Chipotle — along with nine other major food retailers, from Whole Foods to Walmart, have joined. **All except Wendy's.**

Building on years of massive, colorful marches in New York City, farm workers from Immokalee, their families and consumers are taking the fight for Fair Food directly to the Wall Street power players behind Wendy's with a 3-day "Follow the Money" March through the city's bustling boroughs from March 10-12, culminating in a **3-MILE GRAND FINALE MARCH on THURSDAY, 12 at 4 pm, at UNION SQUARE PARK.**

## **A note from Rev. Lindsay**

Dear Friends,

I know the news is full of information and disinformation about the Corvid-19 virus, and while people are understandably concerned, we don't want anyone to be worried unnecessarily. Clerk of Session Nancy Hughes and I have been conferring, and we want you to know that we are keeping ourselves informed. NYC Presbytery and NYDIS (New York Disaster Interfaith Services) are closely monitoring Corvid-19 updates and are in regular communication with DOHMH-OEPR (Office of Emergency Preparedness & Response), NYC Emergency Management, the CDC and FEMA. We will share any updates from them, as appropriate, by email, Facebook and website. We will even call all church members and friends if the need is urgent – though we don't expect it will be.

Meanwhile, we urge everyone to follow general flu prevention guidelines, including:

### **Cover your cough or sneeze with a tissue or sleeve**

(elbows and armpits come in handy)

### **Wash your hands regularly**

Use the hottest water you can stand, and wash for at least as long as it takes you to sing Happy Birthday – or the Doxology (“Praise God from whom all blessings flow...”)

### **Avoid touching your face**

especially, eyes, nose and mouth areas

### **Avoid close contact with people who are sick**

Stay away from crowds if you feel at risk – but don't shun people because of their race or ethnicity

### **Get your flu shot –**

it's never too late!

### **Stay home if you're feeling sick.**

Call your doctor and let them know your symptoms, travel history, and if you've had contact with people who are sick

**And, as always, reach out to me, Clerk Nancy Hughes,  
or any Elder or Deacon if you need help.**

*grace and peace ~  
Rev. Lindsay*
