

## Summer Worship

**July 3, 10, 17, 24, 31 2022**  
**10:15 AM, In Person and on Zoom**

**We're changing things up and going hybrid for the summer.**

Join us from wherever you are as we move into a more relaxed rhythm for the coming months. Click on the emailed link to join.

Liturgy, hymns, and prayers will be shared on slides during worship. If you'd like a copy of the slides following the service, feel free to email Rev. Thia.

### Covid-19 updates

Mayor Adams has discontinued the risk level system for New York City. You can still find information at the [NYC Covid-19 site](#), but without an indication of whether cases are at high, medium or low levels. Cases were at a medium risk level when the system ended on Tuesday, but have been rising again. We will be making masks optional for those who are vaccinated, but still encourage you to use the precautions that make you feel most protected and offer greatest protection to the most vulnerable.

### Summer Worship Volunteers, We Need You!

Summer worship is the perfect time to lend your gifts for **liturgy, prayer, music, and preaching or reflecting on the Word**. We'll be gathering in a chapel-style arrangement at the back of the sanctuary. Although the basic flow of the service will be the same, we won't be processing or recessing. We'll be using zoom to connect with those who may be

traveling or otherwise unable to join in person--so **you can even participate in worship leadership from home!**

However you'd like to participate, whether doing all the liturgist parts, or sharing those parts with others, singing, preaching or bringing a reflection on scripture, all of your gifts are most welcome—and needed!

## **The survey is still open! Help us Shape the Future Together**

**Thanks to those who have added your thoughts to help us plan how to focus our energies as a community.** If you'd like to follow up by email, feel free to email Rev. Thia and we can talk through your responses together.

### **Back Porch Bible Study**

Starting July 20 at 7 pm, we'll be having Bible Study on Zoom every other week through Labor Day. If it catches on, we'll keep going in the fall! Stay connected through scripture and discussion about how our faith relates to what is happening around us. Texts and topics will be announced before each meeting. Suggestions welcome!

### **Still Time to Support Frank Wilson!**

**Support the [Frank Wilson GoFundMe](#) for Ukrainian Refugees:** The son of former Second Presbyterian pastor, Tom Wilson, is donating his summer vacation time to serve the Ukrainian refugees in Poland. Frank will be working with [#ChefsforUkraine](#) in July. You can help defray the cost of his airfare and support this generous act of service by an extended church family member. Links are provided on our Facebook page and in this week's email from the pastor.
